Description of property at 2619 Bayonne:

Welcome to 2619 Bayonne St, a beachfront masterpiece on Sullivan's Island on a half acre lot with 180 degree views of the beach and ocean from both floors. This is a new custom Beau Clowney home, executed by Daly & Sawyer and designed by Marshall Morgan Erb, ASID. As you enter the gated driveway, you will see one of the most solidly built and gorgeous homes on the island - a mixture of masonry, shingle and wood, and a copper roof true to Sullivan's Island's character with Caribbean and modern influences. To the right you ascend the grand formal staircase to a louvered vestibule with hand painted tiles and a gas lamp (one of three). \$17,500 credit available toward buyer's closing costs and pre-pays with acceptable offer and use of preferred lender.
