Description

Looking for your next home in a smaller community, then look no further than 108 Dream Street in the Braeland community. Conveniently located minutes to downtown Summerville, the interstate, shopping and restaurants, it's one you won't want to miss. Although this home is classified as single family attached, it is more like a detached home with a two-car garage as it only has one small, attached area between the garages. There are no living space walls shared with the adjacent home. This home has been well maintained and is move in ready. Upon entering the home, you are greeted to the welcoming foyer and family room. which opens into the eat in kitchen and an additional living area. A patio area is off to the side of the home which allows great flow for entertaining. Upstairs you will find the three bedrooms, two full baths and the laundry room. There is ample storage in this home and an owner's bathroom that is very impressive for a home of this size. No matter is you are looking for a first home, a new location, an investment or to downsize, this home is one you will want to visit!
