Description

Welcome to 1204 Hopeman Lane. This beautiful home was built in 2006 and boasts a spacious living area with two bedrooms, two bathrooms, and one-half bathroom. This townhouse on the golf course at The Retreat in Charleston National is a showstopper. As a corner unit it floods with light from all the windows. Hardwood red oak floors with a whitewash finish flow throughout with lovely crown molding. All of the ceiling fans were replaced within the last twelve months. Upon entering the home, you experience a flex room that can be used as a formal dining or additional living room. The stair railing has been upgraded to a cable system with black metal handrail that continues to the second floor. A fully upgraded powder room off the hallway boasts a new floating vanity, faucet and lighting fixture. Continuing into the kitchen, which was completely renovated in late 2024 with leather finish granite counters running up the backsplash to appreciate the beautiful natural veining of the stone. A shiplap vent wrapped in sapele wood features a manual and motion sensor vent. The seven foot leather finish granite island seating three comfortably features a deep black finished Delta sink, handsfree faucet and waterfall edges. All appliances are Bespoke white glass front with Wi-Fi capabilities, with a five-burner gas stove/oven. The new kitchen cabinets are all self-close with pull-out shelves in base and pantry cabinets. Looking into the main living room, a gas fireplace flanked with six floating shelves and base cabinets, with leather granite tops and a waterfall edge. Situated on the sixth hole of The Charleston National Golf Course, nine windows flood the room with light and natural beauty. Continuing upstairs the master bedroom has a tray ceiling, an extra living/seating area, ensuite bath and walk-in closet. The master bedroom closet has been upgraded with floor to near ceiling storage cabinets. The master bath is also light filled from a window and has a newly installed ship lap wall running the length of the double bowl vanity. The light filled second bedroom is spacious enough to accommodate a king-size bed and office desk, with another ensuite bath and walk in closet. This home has hardwood floors throughout, as well as an elevator from the drive under two plus car tandem garage to the top floor. The interior garage walls have newly installed ship lap, two additional storage areas and two storage cabinets flank an extra refrigerator. At the rear of the garage is an area to relax without many bugs due to the screening, two ceiling fans and plastic curtain panels. Don't miss this beautiful home, it will not last long! Conveniently located just a short drive from downtown Charleston, beaches, shopping, and top-rated schools, this townhouse offers the perfect blend of convenience and comfort. Don't miss the opportunity to make 1204 Hopeman Ln your new home sweet home. Schedule your private showing today!
