Discover this exquisite Daniel Island Park home, boasting expansive living areas, inviting outdoor spaces, and picturesque views of the Daniel Island Ralston Creek golf course.... The home's charming covered front porch, with its double front doors, welcomes you into a grand entry foyer that seamlessly connects to the formal dining room and living area. Both of these elegant spaces open onto the front porch and a private courtyard, creating a perfect blend of indoor and outdoor living. The heart of the home is the spacious family room and kitchen, designed as a cohesive and inviting space. This area is bathed in natural light and features a vaulted shiplap ceiling, fireplace, center island, marble counters, tile backsplash, custom cabinets, extensive lighting above and under cabinets, and multiple sets of French doors leading to the courtyard. The home's refined details include hardwood floors, tall ceilings, wainscoting, intricate moldings, and custom built-ins throughout its two stories. The primary bedroom suite, located on the main floor, offers a serene retreat with a walk-in closet, courtyard access, and an en suite bathroom complete with a separate tub and shower. Upstairs, two additional guest suites each have en suite bathrooms and access to private porches overlooking the golf course. There is also a private staircase leading to a 4th bedroom with an en suite full bath and a separate large home office or make this an extra spacious walk in closet. This space can be altered to fit your family's needs. The private outdoor courtyard is an entertainer's dream, featuring a brick dining patio, tiered stone deck, covered living space with retractable screens and mature landscaping. The owners have completed extensive updates during their ownership including new paint, new carpeting, new light fixtures, a Sonos sound system, new landscape lighting, new custom cabinets with lighting, updated irrigation, and more. The Club features two world-class 18 hole golf courses designed by Tom Fazio and Rees Jones.
