Community Features

- Trash

Description

Move in ready! Sought-after Dorchester II School District. This home was built less than 2 years ago and is very well maintained! As you walk in from your 2-car driveway, you'll notice the very large open living room/kitchen area with LVP flooring throughout. The kitchen showcases granite countertops and all GE Stainless Steel Appliances, with a large island. Just past the kitchen before you reach the front door you have a half bath and an office room with 2 large windows. Heading upstairs, on one side of the home, you'll find two oversized guest bedrooms with a full bathroom and storage closet in the hallway. On the other side of the hallway, you'll walk into your huge master bedroom, consisting of a walk in closet, and a master bathroom with a dual vanity setup. On top of all that, the location of this home is unbeatable! 0.5 mile down the road you have a Publix food store (With a Starbucks planned development in front of it!), a hospital, a Walmart and a variety of restaurants and businesses. There are 4 gyms in a 5 miles radius, Joint Base Charleston is 15 miles away, the Airport is only 23 miles, Historic downtown Charleston only 30 miles away, 3 major beaches less than 40 miles away, and if you prefer the lake, Lake Moultrie is less than 30 miles in the opposite direction!
