Description

Nestled on one of the largest lots in Oakfield at 0.35 acres, this exceptional 5-bedroom, 4-bathroom home is a true standout, offering high-end designer finishes and backing up to a protected wooded area for ultimate privacy. Thoughtfully designed with both elegance and comfort in mind, this home features fresh paint throughout, striking color-drenched rooms, elegant wallpaper, and brand-new high-end lighting that adds a sophisticated touch to every space. Best of all, this home is located in an X-flood zone, meaning no flood insurance is required, and the HOA dues are just \$170 per quarter. As you approach the home, you're greeted by a charming covered front porch with a hanging gas lantern, exuding classic Southern charm. Stepping inside, soaring 9ft+ ceilings in the foyer set the tone for the open and airy feel of the home. To the left, a separate formal dining room with elegant wainscoting is perfect for hosting dinner parties or family gatherings. To the right, the first-floor guest room, currently styled as an office, offers versatility and easy access to a cozy full bathroom, making it an ideal space for guests or remote work. At the heart of the home is the beautifully designed kitchen and spacious living area, both bathed in natural light. The gourmet kitchen features stainless steel appliances, a cozy eat-in banquette with built-in storage, and stylish finishes that blend function and charm. The living room offers a warm and inviting atmosphere, complete with custom built-ins and a gas fireplace, making it the perfect place to gather and entertain. Upstairs, the expansive primary suite serves as a true retreat, boasting two walk-in closets for ample storage. A private guest suite provides convenience for visitors, while the additional bedrooms offer flexibility for family, home offices, or creative spaces. The loft area serves as a versatile second living space and opens to a covered porch with a charming daybed swing, ideal for unwinding with a morning coffee or an evening breeze. Outdoor living is just as impressive, featuring a screened porch, covered patio, private garden, fire pit, play set, and a custom storage shed, with thoughtful touches such as intentional lighting and decorative window boxes. The backyard is expansive and pool-ready, with renderings available to showcase its potential. The two-car garage offers custom shelving, ensuring ample storage space for holiday decorations, tools, and more. Located in one of Johns Island's most sought-after communities, Oakfield, this home is just a five-minute golf cart ride to some of the area's most popular spots, including Lost Isle, Wild Olive, Cabana Burger Bar, shopping, grocery stores, and even the iconic Angel Oak Tree. The neighborhood itself offers a tranquil pool, walking trails, green spaces, and a playground, providing a true Lowcountry lifestyle.
