Description

Light, bright and inviting throughout. A floorplan great for entertaining and for every aspect of your life. Updated in 2019. The open concept main floor has a wonderful flow, connecting the kitchen, dining space and great room. The kitchen includes generous cabinets, granite countertops and stainless appliances. The great room features French doors that lead to the patio space and outdoors. Grand oaks grace the open space behind the unit. A laundry room and powder room are also on the main floor. Washer and dryer are included. Upstairs are two bedrooms, both with walk in closets. The hall bath has been remodeled to include a walk-in shower with glass doors and a marble top vanity. You'll enjoy the amenities in this community. The pool and clubhouse, RV/Boat storage and walk/jogtrails all tucked away along the beautiful marshes of Church Creek off of the Ashley River. The popular Pierpont Public Boat Landing is next door offering access for boats and kayaks. The HOA monthly fee includes building exterior, water & sewer, pool and clubhouse, landscaping, pest control, insurance, trash & recycling. Parsonage Point is a great find close to downtown Charleston, the beaches, shopping and services and the airport.
