Move-in ready and beautifully updated! This spacious condominium features brand-new LVP flooring and fresh paint throughout. Nestled in the heart of Moncks Corner, it's within walking distance of the Walmart shopping center, a variety of restaurants, and just a short drive to Charleston and Summerville. With over 1,100 square feet of living space, this unit offers two generously sized bedrooms, two full baths, and an open-concept dining/kitchen area. The cozy living room boasts a gas log fireplace, perfect for relaxing evenings. Enjoy additional storage in the large storage room off the enclosed porch. The master suite includes a double vanity and a spacious tub, while both bedrooms offer ample closet space. The condo community provides fantastic amenities, including a pool, and conveniently located near a boat ramp and marina with river access.
