## Description

Nestled under the beautiful, grand tree canopies of Oak Terrace Preserve, this beautiful townhome is ready to welcome you home! The front porch looks out over one of the neighborhood's many pocket parks with swings and a firepit. Stepping inside, the main level of this home greets you with 5" wood floors, 9ft ceilings, powder room, and a large open floor plan. A gas-log fireplace can anchor your living room or cozy up the dining room, depending on how you create your space. The kitchen has been updated with stainless appliances, a gas range, quartz countertops, a shiplap island, and new built-ins with plenty of storage. The primary suite with ensuite and walk-in closet is located on the second level. The second level is also home to two additional bedrooms, a small loft area, full bath, and laundry closet with stacking washer/dryer. A screened-in porch is accessed through the kitchen, and leads to one of the largest corner lots of any townhome in the neighborhood. The bistro lights, firepit, and gas grill connection help make this fenced-in paradise the perfect place for outdoor hosting. Oak Terrace Preserve is a sustainable community requiring all homes to be green certified. The neighborhood is peppered with green spaces and pocket parks, which host several neighborhood events such as monthly food trucks, outdoor movie nights, annual oyster roast/lowcountry boil, BBQ cook-off, and many holiday events. Located within walking/biking distance to Park Circle and Paradiso Social Club this home also offers quick and easy access to I-526, I-26, the new North Charleston Athletic Complex, Riverfront Park, and the Charleston International Airport.
