Description

Located in one of the Lowcountry's hottest up-and-coming areas, this 3-bedroom home offers a rare chance to invest in a no-HOA neighborhood with potential for short-term rentals. Purchased in 2020, the home has great bones and recent improvements--including a crawlspace encapsulation and an updated kitchen with granite countertops and stainless steel appliances. The home does need some TLC and is being sold as-is, making it the perfect opportunity for an investor or a first-time buyer looking to earn some serious sweat equity. With strong rental comps, no restrictions, and a great location close to shops, restaurants, and the water, this diamond in the rough won't last long!
