- Walk-In Closet(s)

Utilities

- Charleston Water Service
- Dominion Energy

Interior Features

- Bonus

Description

This amazing townhouse located in the waterfront community of Dominion Village is a must see. Deep water dock amenity along with a boat ramp with access to Goose Creek and the Cooper River. 3 levels of living space along with a garage deep enough for 2 cars. Designed to have a future elevator, this townhome was well thought out. Impact windows were installed in 2022 as well as a new dishwasher and gas oven in the kitchen. The living and dining area has plenty of room for entertaining as well as a deck overlooking the marsh and tidal creek. Below is a large fenced-in patio and just across the water is Hanahan's new park opening in April with a playground, dock, and picnic pavilion. Great as a permanent home or a second home.
