Description

Rare opportunity to obtain this large .75 acre double lot in Thornley Forest near the banks of Lake Moultrie. This is a Santee Cooper leased lot. This property is being sold AS IS and is priced for immediate sale. Metalroofed home needs work but has tremendous potential as a weekend getaway for a multi-generational family or for someone to have their very own lake house. Next to the boat landing but still super private. Eclectic mix of buildings that can be renovated or repurposed. Vacant and easy to show. Largest lot in Thornley Forest. Close to boat landing and one block off the lake. This property is priced super low to compensate and allow for updating. Note~this is al Santee Cooper leased property.
