Description

Location and scale at its finest! This third level, south-facing residence is offered for the very first time in over 22 years. One-of-a-kind drawing room-scale living space (25x27), generous kitchen/den, all open via tall French doors to one of the largest covered terraces in the city (12x50). Enjoy the breeze and light, overlooking the iconic steeple at the Broad Street Cathedral. Soaring 13' ceilings, 3 full baths, and 2 bedrooms separated by another large library/den space. With over 2,700 sqft, there is ample space for full-time residency or entertaining at a grand scale. This secure, high elevation building includes 3 gated parking spaces.
