It is being sold fully furnished and ready to rent so smart investors can see immediate returns without the hassle of furnishing or decorating! This stunning elevated property features 7 spacious bedrooms, each with its own en suite bathroom, along with an additional half bath for guests. The first floor is dedicated to convenience and privacy, housing 6 of the bedrooms with en suite baths, as well as a laundry room. The second floor is designed for entertaining, boasting a large, well-appointed kitchen, a formal dining room, a spacious family room, and a game room complete with a pool table and shuffleboard table. Two sets of French doors lead to the elevated pool, complemented by a large deck with ocean views and a wet bar, creating an ideal space for outdoor relaxation and entertaining. Within the past 3 months, the owners have purchased and installed 3 new HVAC systems, replaced ductwork throughout the home, replaced the old lights to new LED canned lighting and installed new exhaust fans in all bathrooms. Last year, carpet was replaced in all bedrooms, a new cooktop with down draft was installed and the entire pool was refurbished. That included new equipment, replastered pool w/Krystalkrete Blue Quartz plaster, new LED light and new automation system w/salt cell & wireless capabilities. In 2021, the entire house was painted (exterior and interior), hurricane rated shutters were added, new washer/dryer and dishwasher were purchased, ceiling fans were replaced with new ones and two industrial size brand new water heaters were installed. All of this leaves you with plenty of time to enjoy the home and not worry about making improvements!
