## Features

### Lot Features

- 10+ Acres
- Level
- Wooded

## **Description**

One of the largest tracts currently available on Johns Island with 87.73 acres. Several acres cleared along River Road with approximately 1,631' of total road frontage; the rest is wooded. This would make a great equestrian estate, large farm, private estate, or additional AG-8 permitted uses, which includes subdividing into up to 8 separate parcels. Convenient location to exceptional golfing, dining, Kiawah Island & Seabrook Island beaches, as well as downtown Charleston.
